### Finishing

Sew legs, arms and ears to the body and bow to the ears as shown in the pic. Create nose with fuchsia (between R 14 and R 15).

To make the tail, wrap your pink yarn around your hand about 20-30 times. Cut the end of the yarn and, using a new small piece, bunch the yarn together and tie it tight to secure it. Take your yarn off your hand and cut all the loops. Then trim your pom pom and sew the tail back to the body. Turn up the collar of the sweater and pull it over the body.

And now you're done!
