### Finishing

Sew legs, arms, ears and tail to the body and create nose (between R 13 and R 14) with pink yarn as shown in the pics.

Create the whiskers with black yarn (between R 14 and 15).

For one whisker: take a piece of yarn and fold in half, stitch your hook through a stitch and back to the body and pull the loop through. Next, pull the ends through the loop and pull tight. Trim to desired length.

And now you're done!
