Notes
The pattern is written for size S.
Right and left cuffs are worked identically and with 5.5 mm hook. The main part of the mitten is worked in back loops only with 6.5 mm hook.
Chain 2 at beginning of each round doesn't count as a stitch.

Cuff, make 2
Make a foundation chain of 9 chain stitches.
Row 1: from the second ch st of your hook, work single crochets to the end of the row (8)
Rows 2-20: ch 1 and turn, work single crochets in the back loops only (8)
Connect both ends of the ribbing by slip stitching them together.
To hide the seam, flip the ribbing to the wrong side (now it will be your right side). Work now the main part in rounds.
